

About Us

The Bangor Golf School Junior Camp is the premier learning experience for young golfers ages 8 - 12. We pride ourselves in offering Junior Golfers the most inclusive and enjoyable camp they will attend all summer. We are committed to teaching the fundamentals necessary for our future stars to improve and enjoy the game. At the BGS, campers will not only learn about golf, they will have a great time doing it. With many different activities, each day at our camp is sure to be an exciting one.

Dates and Times

Camp begins at 9:00 a.m. and concludes at 2:30 p.m. each day. We are offering 2 sessions in 2010. Session 1 is July 12, 13, & 14. Session 2 is August 9, 10, & 11.

The Basics

Each camper will learn fundamentals like the proper grip, setup, and alignment, but most importantly the students will walk away with our simple full-swing philosophy that makes the golf swing easier to understand and repeat. With our new shortgame practice area students will learn more about the difficult short shots than ever! In addition to the shortgame and full swing, we will also teach the students valuable course management skills.

Education

Our students will also learn the rules and etiquette associated with golf. Each day we will have a rules seminar and a rules Q & A session. Every year this is one of the most fun portions of our camp! Students will also receive their own rule book written especially for juniors by the PGA.!

Challenges

The BGS Junior Camp offers its students much more than instruction. On the third day the campers new skills will be put to the test. Our second round of golf will be the Scramble Tournament. For this event we will have a special course setup for our campers. Also on Day Three will be the Shortgame Challenge and the very popular Long Driving Competition! Prizes will be awarded for the Shortgame Challenge and the Long Drive Competition. These challenges are certainly the biggest hit of the week!

Benefits

The students camp fee **includes lunch each day** in our clubhouse restaurant and a pizza party the last day! Each camper will also receive a free Bangor Golf School Hat along with other giveaways with their paid entry. These are among just a few of the benefits for attending our golf camp.

Golf Clubs

The Bangor Golf School believes that golf clubs should be made affordable for every junior golfer. That is why we offer a package that includes a custom set of junior clubs. . If you choose to purchase this set through our camp, please make sure and write down your camper's height on the entry form. This measurement is a must to receive their golf clubs! Best of all, the Camp Bangor Vouchers will also cover the cost of this equipment for your camper! It is recommended that each student have a set of clubs for camp. We have a limited supply of full junior sets and the campers will need them for on course instruction.

Registration

If you are using the *Camp Bangor Vouchers* just fill out the attached form and enclose your voucher stub. If you are not using a voucher we require a deposit of \$50.00 with the remainder of the balance due 30 days prior to camp. Please read the payment details on the registration form. Please call 659-1290 during the winter and 941-0232 after April 1st if you have any questions. You can also email robjarvis@pga.com or visit us at www.bangorgolfschool.com
