

Bangor Golf School

Junior Camp Guidelines and Policies

The following are some simple guidelines and procedures that are geared towards our student's safety and enjoyment. Please review this information and if you have any questions or concerns, don't hesitate to contact us. Please mail us this disclosure with your entry (278 Webster Ave., Bangor, ME 04401). These few rules are not intended to alarm parents but instead inform them of the Bangor Golf Schools commitment to the safety of our students! Safety is our first priority with any of our programs!

Camp Attire

- Students should dress appropriately for the weather. This means bring a windbreaker or warm clothing in case of inclement weather.
- Campers should wear comfortable footwear such as sneakers or golf shoes. No sandals!
- Please prepare for the sun! Students should bring the following: Sunscreen, a Hat, and a water bottle for on the golf course.

Safety

- Students not observing the following rules will not continue to participate if the instructors deem their behavior unsafe for the rest of the group. ***No refunds will be granted if a student is removed because of a safety rule violation.***
 - Never swing until an instructor permits it. Getting hit with a golf club can cause serious injury and this rule will be seriously enforced.
 - Never walk in front of the practice area to pick up topped balls. Other golfers hitting balls on the range, practice greens, or golf course may not be able to see you and you could get struck with a ball if you are ahead of the designated area.
 - Other safety rules will be outlined before certain activities. These rules are intended to protect our young golfers, as safety is our first priority!

Medical Attention or Needs

- We have staff members that are certified in First Aid and CPR. If an instance arises, the staff will perform emergency procedures on students unless parents specify otherwise prior to the camp.
- ***Please inform our staff of any medical issues (Mental or Physical) that we should be aware of!***
- ***Staff Members will not be responsible for administering medication of any kind!***

Risk

- The BGS is not responsible for lost or stolen property.
- Parents assume all risk or injury to their child resulting in death caused by or incidental to dangers associated with golf. Parents therefore agree there is inherent danger associated with golf and golf instruction.
- **Because of these dangers the Bangor Golf School will strictly enforce safety rules at all times!**

Refunds

Cancellations occurring 30 days prior to camp will receive a full refund. After that a fee of \$50.00 for incidental costs will be charged. Customers ordering golf clubs will be charged the \$50.00 fee plus the \$125.00 cost of the equipment (*which the student will still receive*). If you need to cancel please call as soon as possible. **We will always do our best to work with you regarding these fees and any other emergency issues!**
